

**FOR IMMEDIATE RELEASE****THERMAL ENERGY SERVICES INC. ANNOUNCED AS NEW  
REPRESENTATIVE FOR NATIONWIDE BOILER INC.**

**Fremont, CA, July 26, 2011.....** Nationwide Boiler Inc. continues to expand internationally with the signing of its newest representative, Thermal Energy Services Inc. (TES), located in Alberta, Canada. TES provides industrial construction, maintenance and fabrication services for steam and power facilities. The company has extensive project experience in the oil, gas, power, and pulp and paper industries. This agreement with Nationwide Boiler Inc. increases TES' product offerings, which includes the rental and sale of mobile boiler rooms, trailer-mounted boilers and skid-mounted boilers.

Larry Day, Nationwide Boiler's Vice President of Sales & Marketing, states, "Thermal Energy's experience in engineering, construction, assembly and repair work to customers in Alberta and British Columbia will greatly aid in the creation of new boiler rental and sale opportunities. Their commitment towards complete customer satisfaction is a powerful asset and we look forward to a long-term partnership supporting both new and previous customers."

Nationwide Boiler has provided temporary and permanent boiler systems to the world market since 1967. The company offers a complete line of boiler related equipment for rental, short-term, seasonal, emergency use or for sale and turnkey plant projects. For more information visit [www.nationwideboiler.com](http://www.nationwideboiler.com).

Founded in 2003, Thermal Energy Services is a multi-disciplined construction, design, procurement, fabrication and maintenance company. Their business model centers on private
