

FOR IMMEDIATE RELEASE**O'BRIEN BOILER SERVICES SIGNED AS NEW AUSTRALIAN REPRESENTATIVE FOR NATIONWIDE BOILER INC.**

Fremont, California, September 9, 2014..... Nationwide Boiler Inc. has signed O'Brien Boiler Services Pty Ltd as the company's representative for the Australian rental boiler market. Based out of Melbourne, with office locations in Brisbane, Perth and Sydney, O'Brien Boiler Services has been providing boiler equipment and contract services to Australia's industrial and commercial markets since 1998.

"Australia's boiler market is unique and presents several logistical challenges for North American boiler suppliers when transporting industrial boiler equipment on a rental basis," states Larry Day, Nationwide Boiler's Vice President of Sales & Marketing. "This new partnership with O'Brien Boiler Services will allow us to stock trailer-mounted rental boilers on a permanent basis with trusted local representation who can also install, service and repair our equipment. More significantly, we will now have equipment immediately available for the growing Australian market."

As co-owners of O'Brien Boiler Services, Brothers Shane and Brendan O'Brien share Managing Directorship roles in the company and are involved with the day-to day activities of the company. Together they have extensive experience in the engineering, mining, petrochemical, and manufacturing industries. "We are both very excited to be working with Nationwide Boiler and to increase our product offerings with large capacity rental boilers that are backed by one of the most well respected rental boiler companies in the world," explains Shane O'Brien.

O'Brien Boiler Services is a privately owned company with offices located throughout Australia's industrial and commercial regions. Founded in 1998 by brothers Shane and Brendan O'Brien, the company supplies boilers and provides contract services in the areas of industrial and commercial maintenance and installation work.
