SUPPORT LOCAL SPECIAL-NEEDS FAMILIES**

**Fremont, California, June 8, 2011** ..... Nationwide Boiler's thirty-one year tradition of supporting local charitable organizations continues through its recent Charity Golf Tournament. Nearly thirty-nine-thousand dollars was raised during this year's event in Pebble Beach, California, with charitable donations and contributions supporting the work of Via Services, an organization which serves children and adults with disabilities throughout California's Santa Clara County.
