

FOR IMMEDIATE RELEASE**NEW EASTERN CANADIAN REPRESENTATIVE, LE GROUPE SIMONEAU INC., ANNOUNCED FOR NATIONWIDE BOILER INC.**

Fremont, CA, December 1, 2010..... Le Groupe Simoneau Inc., located in Québec, Canada, has signed a new representative agreement with Nationwide Boiler Inc. for the rental and sale of Nationwide Boiler's extensive product line of mobile boiler rooms, trailer-mounted boilers and skid-mounted boilers. This new agreement strengthens Nationwide Boiler's presence in the eastern Canadian market, where industries including pulp and paper, biomass and district energy are vital to the market.

"Canada, one of the world's leaders in technology and innovation, has a vast array of industrial markets that rely on steam generation to keep the economy running. Nationwide's boiler systems will not only help meet that demand, but will also aid in the country's commitment to help reduce emissions and minimize the impact to our environment," explains Larry Day, Nationwide Boiler's Vice President of Sales & Marketing.

"Le Groupe Simoneau, a company that values customer service, innovation and the highest environmental standards, shares the same principles as Nationwide Boiler. Together, we are able to provide our customers with the highest quality products and customer service and support they expect."

Nationwide Boiler has provided temporary and permanent boiler systems to the world
