

**FOR IMMEDIATE RELEASE****NATIONWIDE BOILER INC. SIGNS NEW REPRESENTATIVE  
FOR HOUSTON TERRITORY**

**Fremont, California, October 27, 2009**.....Nationwide Boiler Inc., the largest boiler rental firm in the Western United States, announced the signing of a new sales representative. Jerryco Machine & Boiler Works, based in Houston, Texas, will represent Nationwide Boiler and Nationwide Environmental Solutions, a strategic business unit of Nationwide Boiler, in the rental and sale of boilers, environmental control equipment, and related auxiliary equipment.

Larry Day, Vice President of Nationwide Boiler, explains the positive benefits the new partnership will create. “All of us at Nationwide Boiler are very excited about teaming up with Jerryco and the tremendous sales and service support they can support us in the Houston and Texas Gulf Coast region. This new relationship will strengthen our ability to provide timely emergency equipment and support to our current customers and will enable both of our companies to expand our product base to new markets. We are looking forward to a long-term and positive relationship.”

Jerryco, founded in 1977, specializes in the service and repair of industrial watertube boilers, firetube boilers, pressure vessels, heat exchangers and related components. The company will provide Nationwide Boiler with the manpower and facility to maintain and store rental boilers in the Houston area. Jerryco’s experienced field service crews will be utilized by Nationwide Boiler to provide installation, start-up, and twenty-four hour customer support. For
