

FOR IMMEDIATE RELEASE**NATIONWIDE BOILER INC. TO EXHIBIT AT POWER-GEN
INTERNATIONAL 2009**

Fremont, California, November 16, 2009.....Nationwide Boiler Inc., the largest supplier of rental boilers in the Western United States, will be exhibiting at this year's 21st Annual Power-Gen International trade show, December 8-10, at the Las Vegas Convention Center in Las Vegas, California (booth C1-762). Members from the Company's Sales and Marketing groups will be on-site to provide attendees with information about Nationwide Boiler's complete line of new and used low NOx boilers including trailer-mounted boilers, skid-mounted boilers, mobile boiler rooms, environmental emission controls and auxiliary equipment for the power generation market.

Nationwide Environmental Solutions, a strategic business unit of Nationwide Boiler, will also be in attendance, showcasing the CataStak™ selective catalytic reduction system (SCR), capable of reducing NOx emissions as low as 2.5 ppm, EconoStak economizers for fuel efficiency and the E²Stak, a solution that provides both emission reductions and increased efficiency with one complete CataStak/EconoStak package.

To receive a complimentary exhibit floor pass, please contact Nationwide Boiler at info@nationwideboiler.com or call toll-free 800-227-1966.

Founded in 1967, Nationwide Boiler offers a complete line of low NOx boilers, mobile rental units and boiler related equipment for rental, short-term, seasonal, emergency use, or for sale, and turnkey steam plant projects. The firm's national headquarters are in Fremont,

California with sales and service agents throughout North America. Visit Nationwide Boiler's website at www.nationwideboiler.com.

Nationwide Environmental Solutions specializes in the custom design and supply of SCR systems for boilers, gas turbines, heaters and furnaces. Technical support and service during installation and start-up is also provided, in addition to operator training and aftermarket services and support. Visit www.catastak.com for additional information.

Power-Gen International is the industry's largest power generation conference and trade show. The show attracts more than 17,000 industry professionals, representing 76 countries. Power-Gen is owned and produced by PennWell.
