

FOR IMMEDIATE RELEASE**NATIONWIDE BOILER INC. APPOINTS NEW DIRECTOR OF
SALES**

Fremont, California, January 15, 2016.....Nationwide Boiler Inc. has announced the promotion of William (Bill) Testa to the position of Director of Sales. In his new role, Bill will lead the sales team, develop new sales strategies and improve internal and external sales processes. Bill will remain located in Tulsa, OK but will be traveling frequently to Nationwide Boiler's headquarters in Fremont, CA.

Bill has been with Nationwide Boiler for four years as the company's Business Development Manager, where he has played a prominent role in building relationships and strengthening Nationwide Boiler's current representative network. Bill's efforts in acquiring valuable representatives for the company has made a strong impact on Nationwide Boiler's presence throughout the country. In addition, Bill has worked on securing a number of large boiler and environmental equipment sales for the company.

Bill has over thirty-five years of sales and marketing experience and has held senior-level sales positions with Bremco Inc., John Zink Company / Todd Combustion, and Coen Company, Inc. "My recent transition within the company has left a gap in the sales department that needed to be filled. Bill's experience, both present and prior to joining our team at Nationwide Boiler, gives him the knowledge and skills necessary to successfully direct the overall sales efforts of Nationwide Boiler's products and services," said Larry Day, Nationwide Boiler's newly appointed President.
