

**FOR IMMEDIATE RELEASE****NATIONWIDE BOILER INC. APPOINTS NEW VICE  
PRESIDENT OF FINANCE, ANTHONY “TONY” DIFEDE**

**Fremont, California, September 27, 2019**.....Nationwide Boiler Inc., leading supplier of rental, new and used boiler systems, emissions control equipment, and process equipment controls, has appointed Anthony “Tony” Difede as their new Vice President of Finance, effective earlier this week. Difede is a Certified Public Accountant (CPA) with over thirty years of experience working with companies similar in size to Nationwide Boiler. He received his Bachelor of Business with a concentration in Accounting from the University of Florida, and his Master’s Degree in Taxation from Pace University – Lubin School of Business.

President & CEO of Nationwide Boiler, Larry Day, stated, “Tony Difede has valuable experience and expertise that is needed to fill this position, and we are fortunate to have him on board. Our company has grown tremendously in the past ten years with an increase in business and new revenue streams, and we look forward to Tony bringing us improved execution and financial performance.” Difede’s major responsibilities will consist of composing monthly financial reports, regular audits of expenditures, assets, and liabilities, and planning for the company’s financial future.

Nationwide Boiler Inc. has provided temporary and permanent boiler solutions to industrial facilities worldwide since 1967. With headquarters in Fremont, CA, the company owns and operates a controls division in Washougal, WA and has sales representatives positioned in multiple locations across the globe.
