

FOR IMMEDIATE RELEASE

**NATIONWIDE BOILER INC. SIGNS AS NEW
REPRESENTATIVE FOR SUPERIOR BOILER WORKS**

Fremont, California, November 9, 2016......Nationwide Boiler Inc., headquartered in Fremont, CA, has signed a formal representation agreement with Superior Boiler Works, manufacturer of Scotch Marine Firetube Boilers and associated boiler room equipment. The agreement grants exclusive rights to Nationwide Boiler for the market of Superior Boiler products to all California counties north of and including Kern County, and the entire state of Nevada. Nationwide Boiler has held a National Account status with Superior Boiler for the past several years.

Doug Wright, President of Superior Boiler Works, and Bill Testa, Director of Sales at Nationwide Boiler Inc.

“We are pleased to have the opportunity to represent a prestigious company such as Superior Boiler Works. This new agreement allows us to offer more competitive solutions to our customers in California with a proven line of firetube boilers. We have recently partnered with Superior Boiler on a number of projects including the world’s first 1,000 hp mobile boiler room, and we are looking forward to working together on many more successful projects in the future,” stated Jim Lieskovan, Western US Business Manager at Nationwide Boiler Inc.

Superior Boiler Works, Inc. has shipped more than 20,000 boilers throughout the United States and worldwide since 1917. Based in Hutchinson, Kansas, Superior Boiler manufactures

Scotch Marine and vertical firetube boilers for process steam, hot water and waste heat recovery, high-efficiency hot water condensing boilers, and other boiler room equipment. The company also provides parts and 24-hour service. For more information, visit www.superiorboiler.com.

Nationwide Boiler Inc. has provided temporary and permanent boiler solutions to California customers since 1967. With nearly 100 rental boilers in their fleet, Nationwide Boiler was the first company in the industry to convert their entire inventory to low NOx and is now the leading supplier of CataStak™ Selective Catalytic Reduction systems for the package boilers. The firm is committed to providing customers with 24-hour responsive, technical support and high quality solutions. For more information, visit www.nationwideboiler.com.
